Making of the Bedfordshire Countryside

An illustrated talk by **Brian Kerr** focussing on Bedfordshire. He uses geology to describe a number of natural landscapes and then charts how these have been utilised in the past, giving us the countryside pattern which we see today. Brian Kerr is a soil scientist and is a Visiting Fellow at Cranfield University. Copies of his book will be available to purchase.

Wednesday 21 September | 7.30pm–9pm
Dunstable Community Fire Station Lecture Theatre
Brewers Hill Road, Dunstable LU6 1AA

Entry £3 per adult – booking essential!
